

Getting Started

Members and guests pay an ice fee per week to East Lansing Ice Cube. Rental skates are available from the rink.

Please sign our Guest Registration sheet and pick up a name tag from our membership chairperson.

We will be happy to have you return as a guest a second time and hope you will consider joining Ladies Silver Blades.

Our season runs from September through May. Dues can be paid annually or by the half year. Check website for fee information.

Please use caution while skating. We encourage the use of protective gear. We don't want anyone getting hurt!

Skating Sessions with Ladies Silver Blades

Join us at 9:30 a.m., on Thursday from September through May.

A typical session includes skating warm ups around the freshly resurfaced ice.

Two skating lessons are included each week. Deb Gaultier, our award-winning instructor, offers a Level 1 class to learn or hone those basic skills.

A level 2 session follows with instruction in advanced skills and new techniques. All lessons are optional.

The conclusion includes team time where we learn some fun choreographed moves as a group.

Enjoy snacks and conversation at the refreshment table any time.

Membership Profile

Many loved skating as a child, on the ponds and rinks in their neighborhoods, but hadn't skated in 10-20+ years.

Others were looking for a safe comfortable environment to learn some new skills.

Some have skated competitively in the past and want to refresh those skills and continue to grow as a skater.

One thing's for sure, they all have a passion for ice skating that is nurtured and rejuvenated each week. All are encouraged to join Ladies Silver Blades, no matter their skill level.
